“AT THE MOMENT OF TRUTH, YOU WILL NOT RISE TO THE LEVEL OF EXPECTATION, YOU WILL FALL TO THE LEVEL OF TRAINING.”

WHAT IS CRC?
Crisis Response Care is a resource designed for first responders, chaplains and community volunteers to deepen their knowledge in the area of community resiliency. Our intention is to provide information from multiple sources in one place to assist crisis responders serving their communities.

“I really enjoyed the class and had a positive experience. The information is very powerful and useful. I believe I will be able to use the information in my role as Peer Support.”

ASSISTING INDIVIDUALS IN CRISIS
Two-Day Course, 13 Contact Hours
Crisis Intervention is NOT psychotherapy; rather, it is a specialized acute emergency mental health intervention which requires specialized training. As physical first aid is to surgery, crisis intervention is to psychotherapy. Thus, crisis intervention is sometimes called “emotional first aid.” This program is designed for teach participants the fundamentals of, and a specific protocol for, individual crisis intervention.

GROUP CRISIS INTERVENTION
Two-Day Course, 14 Contact Hours
Designed to present the core elements of a comprehensive, systematic and multi-component crisis intervention curriculum, this course will prepare participants to understand a wide range of crisis intervention services. Fundamentals of Critical Incident Stress Management (CISM) will be outlined and participants will leave with the knowledge and tools to provide several group crisis interventions, specifically demobilizations, defusings and the Critical Incident Stress Debriefing (CISD). The need for appropriate follow-up services and referrals when necessary will also be discussed.

INDIVIDUAL & GROUP CRISIS INTERVENTION (GRIN)
Three-Day Course, 27 Contact Hours
Individual & Group Crisis Intervention (GRIN) is a three day course which combines both Individual and Group Crisis courses to teach participants the fundamentals of, and a specific protocol for, individual & group crisis intervention. The need for appropriate follow-up services and referrals when necessary, will also be discussed.

ADVANCED GROUP CRISIS INTERVENTION
Two-Day Course, 14 Contact Hours, Prerequisite: Group Crisis Intervention
Designed to provide participants with the latest information on critical incident stress management techniques and post-trauma syndromes. At the conclusion of this course, participants will have been exposed to specific, proven strategies to intervene with those suffering the ill effects of their exposure to trauma. Emphasis will be on advanced defusings and debriefings in complex situations.

EMOTIONAL & SPIRITUAL CARE IN DISASTERS
Two-Day Course, 14 Contact Hours
This course will enhance your skills to provide effective emotional and spiritual care (ESC) to meet the disaster-related needs of disaster responders and disaster affected families and individuals within disaster operations. This course builds on the crisis intervention principles taught in the Critical Incident Stress Management (CISM) core courses to effectively integrate these principles within ESC teams for appropriate care throughout the disaster continuum from the immediate to long-term recovery process.

GRIEF FOLLOWING TRAUMA
Two-Day Course, 14 Contact Hours
In the course of one’s career, it is inevitable that professionals will encounter traumatic death and loss issues both personally and professionally. Professionals often feel ill prepared to provide effective care throughout the grief process. This course will cover key grief and loss concepts relating to trauma and traumatic death. Participants will increase their knowledge of how trauma impacts the grief process and will gain skills for evaluating and supporting persons who have experienced traumatic death and loss.

SUICIDE PREVENTION, INTERVENTION & POSTVENTION
Two-Day Course, 14 Contact Hours
Why do people kill themselves? How do I ask someone if they are feeling suicidal? What do I do if they say they ARE suicidal? How do I deal with the strong emotions suicide generates? This course will provide answers for these and other questions many of crisis interventionists have about suicide. It will provide participants with basic information about suicide as well as help participants develop practical skills for prevention, intervention and postvention. Small group role plays will allow participants to apply the suggested techniques as they are learned.

SPIRITUAL & PSYCHOLOGICAL FIRST AID
Two-Day Course, 14 Contact Hours
Providing effective emotional and spiritual care to individuals, families, and communities following critical incidents and in times of crisis requires special training, skills and understanding of the unique role of the crisis responder. This course seeks to prepare front line helpers to meet the emotional and spiritual needs of survivors by providing a basic understanding of: the ministry of presence; connecting; basic assessment skills, appropriate intervention; and developing an ongoing care plan and referral.

CISM APPLICATION WITH CHILDREN
Two-Day Course, 14 Contact Hours
This course explores the developmental considerations and children’s trauma response from infancy through adolescence. Preventive, intervention and recovery strategies will assist the adult responding to traumatized children. This course will provide a venue for adults to gain comfort in their capability to assist traumatized children through a discussion of crisis management principles and the necessary modifications for children.

MANAGING SCHOOL CRISIS
Two-Day Course, 14 Contact Hours
Designed to prepare for the inevitable crises that occur within schools and/or that effect those in schools, this training reflects the 3 most common phases of a crisis: pre-crisis planning, acute crisis response and post-crisis activities. Special attention is given to the most common pitfalls (those that pose the most threat to school personnel from a liability standpoint) associated with crisis response activities. Group Crisis Intervention is recommended, but not required.
